ATHENS CHAPTER No. 24

### **SCHOLARSHIP PROGRAM**

The Board of Directors of the AHEPA Charitable and Educational Corporation is pleased to announce that it will continue to offer the two types of yearly scholarships.

One of the scholarships is for high school seniors who have been admitted for full-time studies to a college/university. The other scholarship is for full-time college/university undergraduate students. First year students who received a high school scholarship are not eligible for scholarship.

Applicants for scholarship shall be either:

1. A son or daughter of a member of the AHEPA Athens Chapter 24 or of the Daughters of Penelope Orion Chapter 130, who has paid membership dues for the three (3) calendar years preceding the year of the application, or;
2. A son or daughter of a deceased member of Athens Chapter 24 or of the Daughters of Penelope Orion Chapter 130 at the time of death.

Completed scholarship applications with the relevant documentation must be submitted by April 30. The scholarship granting decisions are made during the month of May.

For more information or to request an application form please contact us via post-office or preferably by e-mail using the addresses at the top of this page. It is advisable for the interested students to review in advance the detailed application requirements, which are described in the application forms, in order to easily meet the application deadline.
